

ASM VALIDATION CERTIFICATION REPORT

STATUS: CERTIFIED ✓

Certificate Information

Certificate ID:	CERT-20260114203000
Issued At:	2026-01-14T20:30:00.000Z
Validator:	allotropy_v1.1.1
Status:	ALLOTROPE_CERTIFIED

File Information

File Name:	SampleResults2025-November-1.json
Validation Level:	certification
Validation Time:	2026-01-14T20:30:00.000Z
Validator:	allotropy

Validation Metrics

Technique	solution analyzer
Technique Confidence	100.0
Measurement Count	4
Has Sample Document	True
Has Device Control Document	True
Has Custom Information Document	True
Has Calculated Data	True

Measurement Identifiers	4
-------------------------	---

Warnings

- WARNING: Temperature value is null in pH measurement

Validation Details

- INFO: Detected technique: solution analyzer
- INFO: Measurement count: 4
- INFO: Manifest:
<http://purl.allotrope.org/manifests/solution-analyzer/REC/2025/06/solution-analyzer.manifest>
- INFO: Statistics document: Present
- INFO: Data source traceability: Present

Summary

This ASM file has passed validation with 1 warning(s). The file conforms to Allotrope standards and is suitable for regulatory submission.
